PRESS RELEASE/ MEDIA RELEASE

Mach Travel Solutions Onboards 140+ Corporate Clients for Corporate Ticketing and Self-Booking Tool

New Delhi, India, October 01, 2026: Mach Travel Solutions Limited (BSE: MACHLTD), a publicly listed technology-enabled travel solutions company, announced that it has onboarded more than 140 corporate clients as of September 30, 2026 for its Corporate Ticketing services and Self-Booking Tool (SBT).

Since launching its dedicated Corporate Travel vertical in April 2026, the Company has scaled the business to more than 140 onboarded corporate clients within approximately six months, marking a significant milestone in the expansion of this vertical.

The Company's corporate client base spans a diverse range of industries, including Automotive & Engineering, Cement & Building Materials, Chemicals, Pharmaceuticals, Financial Services, Technology & IT, Electronics, Aviation, Media & Entertainment, Education, Healthcare, FMCG, Infrastructure, Consumer Products, Textiles and Industrials. This diversified client mix provides the Company with a broad foundation for building long-term corporate travel relationships and reduces dependence on any single industry.

Unlike project-based travel and event businesses, corporate travel requirements are typically recurring throughout the year. Mach Travel Solutions' model combines its Self-Booking Tool with dedicated account management and service support, enabling corporate clients to manage travel requirements through structured booking workflows, approval mechanisms and centralized travel processes.

The growing corporate client base also creates opportunities for the Company to deepen these relationships over time by serving a broader range of travel requirements, including MICE, hotels and leisure travel, subject to individual client needs.

The Company believes this hybrid model of technology and personalized service can help deepen client relationships while providing corporates with greater convenience, visibility and control over their business travel requirements.

Commenting on the milestone, Mr. Amit Bhatia, Chairman & Managing Director, Mach Travel Solutions Limited, said:

"Crossing 140 corporate clients within approximately six months of launching our dedicated Corporate Travel vertical is an encouraging milestone for us.

More important than the absolute number is the pace at which this business has been built. Our objective is not simply to acquire corporate accounts, but to develop long-term relationships where technology, service and account management become an integral part of the client's travel ecosystem.

Corporate Travel is an important part of our broader transformation into an integrated travel solutions company, and we intend to continue strengthening our technology, service infrastructure and client relationships as we scale this business."

Corporate Travel remains one of the key focus areas for Mach Travel Solutions as the Company continues to diversify its business model and build multiple travel verticals with different demand characteristics.
